

PARKS RECREATION & WATERFRONT

## **DISCLOSURE NOTICE TO ALL PERSONS**

### **USING GABE CATALFO FIELDS AT HARRISON PARK**

Air quality at this site does not meet State standards. All children and elderly people with preexisting respiratory and cardiac illness should exercise caution when using Harrison Park and the shelter. Pregnant women may also be at risk. Should you have any questions please contact your doctor.

An air quality study for this site is available on the City's website:  
[www.ci.berkeley.ca.us/parks/parkspages/Harrison.html](http://www.ci.berkeley.ca.us/parks/parkspages/Harrison.html)

The City of Berkeley requires all persons (or parents of children) using Gabe Catalfo Fields at Harrison Park to sign a disclosure notice stating that they understand these fields are located in an industrial neighborhood. Persons using these fields shall agree not to interfere with businesses in the area, to respect all no parking zones, and do not block driveways. Please be advised that truck traffic, industrial noises and odors and other activity associated with industrial uses are a normal and lawful condition resulting from operations in this industrial area.

For more specific information, contact the Parks Recreation and Waterfront Department at 981-6700.
